Chairman Sharon "Sharie" Cohen read the description of the next case being presented.

- **Case #24-02-SPRA**: Veterinary Urgent Care of NH c/o Amanda Flagg & Megan Witt and Owner: White & Brown Dog, LLC of 2025 Route 16, Tax Map: 024 Lot: 001 is seeking a Site Plan Review Amendment to open a Veterinary Urgent Care facility in the Road Side Commercial district at the former Meadow Pond Veterinary Hospital.

The secretary stated while transcribing the minutes of the previous meeting Barron stated he remembered the prior owners coming in before the Planning Board. The secretary did some reach and came across and read into the record the meeting minutes of August 16, 2011 as follows;

**"DISCUSSION: Kelly Keenan and Lindy North came to discuss their intent to put a veterinary hospital in the old Belly Busters Restaurant. They are not making changes to the outside. If they need additional paving they should submit a plan for our records. Although this is a change of use, it will have a lesser impact. Roy Barron made a motion that A Site Plan Review is not needed. Brett seconded the motion and it passed."**

This confirmed that a Site Plan Review Amendment had never been done since the original SPR in 1999 and Fischbein noted that it's been closed for more than 2 years. The Board reviewed the application.

Barron inquired and Amanda Flagg confirmed that they are waiting on the West Ossipee Fire Chief's letter. Fischbein inquired and Kelly Keenan confirmed that NHDOT has an approved curb cut because NHDOT had told them where they could place the sign.

Waivers Requested:

1. Section 6.04.4 H 16: Project is not located in the wetland protection. B. Ames commented that he believes this is suppose to be 6.04.4 H15 because 6.04.4 H16 is for lighting requirements. The Board agreed and requested the official record to be corrected.

Barron seconded. No discussion. A unanimous vote was taken by a show of hands. **Motion passed.**

The discussed conditionally approving the Site Plan Review Amendment pending receipt of the Fire Chief's letter of inspection.

Chairman Cohen called for public input.

Dallas Emery inquired and the Board confirmed they were discussing the Fire Chief's letter. Dallas Emery stated under the law they can ask the for the Fire Chief's recommendation but ultimately the final decision is up to the Board. Barron jokingly commented that if the Board gets in trouble, their going to blame him, meaning Dallas Emery. But Cohen and Fischbein both stated it is the law. Dallas Emery stated Barron should have watched the webinar the secretary had sent out to the Planning and Zoning Boards. Fischbein commented how do you know Barron didn't watch the webinar. Emery stated because of the answer he just gave.

Fischbein inquired if there has been any thought for a zoning ordinance for agritourism. Barron said no. But the secretary explained the remaining timeframe for submitting zoning ordinance changes. The secretary will speak with the zoning officer for his opinion.

Dallas Emery conveyed his perception of agritourism rules of having to obtain Planning Board approval and if they are going to offer it as a wedding venue, then they need to comply as a commercial business and be permitted and licensed as a business. Dallas Emery referred to the NHMA webinar he recently observed. Part of the agritourism classification the noise ordinance is not enforceable under agritourism per RSA 21:34. Under agritourism the main use must be the operation of the farm, if they venture into wedding venues or other activities that is not part of the farm operation, they then become a commercial business and must comply to all ordinances and regulations for commercial businesses. Discussion ensued over noise complaints in regards to agritourism in accordance with the RSA 21:34 (a) and RSA 674:32.

Discussion ensued over whether the Board wants to proposed an ordinance for agritourism.
